“Without a sense of caring, there can be no sense of community.”

- Anthony J. D’Angelo

## WRPT Housing Department’s Monitoring Review

During the last week of July staff out of the Southwest Office of Native American Programs – Housing and Urban Development Office visited the WRPT Housing Department to complete their tri-annual monitor review. The purpose of the monitor review was to analyze the practices of the WRHD to ensure the department is efficiently and appropriately spending grant monies and carrying out approved activities in the Tribe’s annually submitted Indian Housing Plan (IHP). SWONAP sent three staff to analyze the WRHD’s: Environmental, Admissions & Occupancy, Procurement, and IHPs/APRs.

On Thursday, July 26, 2018, SWONAP staff, WRHD staff and the WRPT Chairman sat down for an exit interview. During this interview each SWONAP staff expressed their thoughts regarding the WRHD’s practices. All in all SWONAP staff expressed their support of the WRHDs well-organized work practices and grant implementation.

On Monday, August 13, 2018, the SWONAP staff sat down for an internal management debriefing meeting to discuss the WRHD’s

monitor review. August 13, 2018 kicks of the 60 day clock in which SWONAP-HUD has to issue the Draft Monitoring Report to the Tribe. Upon receiving the Draft Monitoring Report, the WRPT can comment or approve without comment. We look forward to sharing the monitoring report in the next newsletter.

**Cheers to a very successful monitor review!!!**

### **Elder/Disabled Utility Assistance Program Participants**

As fall approaches we would like to remind the elders and disabled in our community that participate in the Utility Assistance Program that they will need to re-apply to the program.

This program is to provide utility assistance to the elderly/disabled persons to ensure continued safe and sanitary conditions, and a better living environment. The program begins October 1 thru December 31 and January 1 thru May 1. This program is to be used for heating resources **only**.

You can stop by the Walker River Housing Department Office Monday-Friday 8:00 am – 4:30 pm to grab and fill out an application. You can also visit the Walker River Housing Department's Website to print out the application.

*For more information or questions please do not hesitate to call the WRHD Office at (775) 773-2334*

## 2018 Health/Safety Fair

On Wednesday, August 8, 2018, the WRHD hosted the Health/Safety Fair at the Schurz Gym. There were informational booths, demos, free raffles, free bbq, and free swimming to all.

The WRHD would like to thank everyone that came out and participated, we look forward to next year's event and hope to make it bigger and better.

## Recognition Dinner

On Thursday, August 16, 2018, the WRHD hosted a recognition dinner for the Walker River Paiute Volunteer Fire Department and the Walker River Paiute Emergency Medical Service crews. During the dinner each volunteer member received a certificate, t-shirt and free dinner. Their commitment and service to the well-being a safety of the people in our community is greatly appreciated!

## WRHD Attends NV/CAL Indian Housing Association Semi-Annual Business Meeting & Trainings

During the second weekend of August, the Nevada/California Indian Housing Association hosted its 13<sup>th</sup> Annual Benefit Golf Tournament in Reno, NV at the Lakeridge Golf Course. The golf tournament is an annual fundraising event to benefit the NV/CAL Scholarship. The winning team was from Schurz/Hawthorne; Ken Richardson, John Lockwood, Kenton Foster Sr., and Kenton Foster Jr.

*Figure 3 NV/CAL Golf Tournament Champions (L-R) Kenton Foster Jr., Kenton Foster Sr., John Lockwood, Not Pictured Ken Richardson.*

The following week the Nevada/California Indian Housing Association hosted its semi-annual business meeting and trainings at Harrah's in Reno, NV. During the NV/CAL business meeting we were notified that there were 23 complete NV/CAL Scholarship applications and four (4) incomplete scholarship applications.

In prior years there were about 50 scholarship applications and each received \$250. However, because there were not as many applicants this year the scholarship reward went up to \$500, and 19 applicants will be awarded.

Also, during the week attendees received training on the online EPIC system being implemented this year when tribes submit their IHPs and

APRs, Workplace Violence Training, and Meth Testing & Remediation. The trainings were very informational and educational for attending staff.

**Mutual Help/Lease-to-Purchase Program Participant Reminder**

*Mutual Help & Lease-to-Purchase Homebuyers annual inspections will be scheduled during the third week of October. The Resident Services Specialist will send out letters with your scheduled date, if you need to reschedule for whatever reason please be sure to contact the WRHD office*

**Conservation Department News:**

The Conservation Department had over 30 participants sign up for the Hunter's Safety Course that will be held in February 2019. The date is still to be announced. If you are interested in attending please contact Andrea Martinez, Conservation Officer at (775) 217-0043 or by email at [amartinez@wrpt.us](mailto:amartinez@wrpt.us)

## Youth in our Community:

Montana John 8, planted this cabbage in his third grade class and brought it home to plant in the garden at home. Montana and his cousin Jordan Begay tended to the garden and grew a giant cabbage. He is so proud.

## im Program Achievements

We would like to congratulate Caliyah Murphy and Karma Castillo for successfully completing the im safe training of the Michael Phelps Foundation im Program. This program is an 8-week program that consist of many other trainings. We focused on being safe, in order to have the most fun in the pool,

Figure 5 im Program Graduates (L-R) Caliyah Murphy and Karma Castillo

one must first be confident and safe. We had over 50 participants

in the program but in order to receive the Michael Phelps medal, one must attend each week and also complete many milestones. So many of the children did amazing and grew so much. Two competed each milestone and attended all 8 weeks and received their medal and certificate. I would like to thank Mariah Motheral for helping train the children. I want to thank all the kids and their parents for participating and encouraging the kids to work hard. I especially want to congratulate and thank Caliyah Murphy and Karma Castillo for their diligence and hard work. I thank their parents also for making sure they attended each week. We will do this program next year also. I hope we can get more participants, and I hope many more children can work hard like Caliyah and Karma to get their medals also. There are eight medals that can be awarded. I can't wait to award them to all that work hard and fulfill the requirements.

**The Walker River Paiute Tribe Environmental Department**  
**Greening**

Greening is the process of transforming living environments, and also artifacts such as a space, a lifestyle or a brand image, into a more environmentally friendly version. The act of greening generally involves incorporating more environmentally friendly systems into one's environment, such as the home, work place, and general lifestyle.

## Q: What does greening do?

A: Greening qualities include, but are not limited to:

- Reducing toxicity
- Re-usability
- Energy efficiency
- Responsible packaging and labelling
- Recycled content
- Intelligent design
- Responsible manufacturing techniques
- Reduction of personal environmental hazards
- Alleviate heat island effect

## ZERO WASTE TIPS

## Q: What can you do to start?

A: Be aware of environmental issues. A few examples include:

- Switching to energy efficient light bulbs in your home and/or office; try natural lighting
- Skip bottled water and use a refillable bottle/cup
- Make your own cleaning supplies
- Think before you buy; try borrowing, or look online for gently used secondhand products
- Save energy/water to save money

## WRPT Victim Services Program

A word from Victim Services program, We recently attended the Back to School dinner on August 22, 2018. We set up an informational booth that provided educational material on Teen Dating Violence, Internet Safety - what information should not be shared with others and the risks of accepting friend requests from people you do not know. Each of the kids participated, reading facts about internet safety. Many of the parents were not aware of the facts they learned.

Our department also made back to school survival kits that included a toothpick, rubber band, tootsie roll, eraser, a hug, mint, paper clip and pencil. Each of the items has a meaning to them, if you look closely to the picture below you can read what each item represents.

We feel that everyone learned something new that night and enjoyed the event!
