

Walker River Housing Department
Home Improvement Loan Program Policy
Policy Statement

The Home Improvement Loan Program Policy for the Walker River Paiute Tribe Housing Department was developed by the Executive Director, Housing Staff and reviewed by the Housing Attorney. It was adopted by the Walker River Paiute Tribal Council by Resolution #WR-52-2019 on 04/23/2019 and goes into effect on June 3, 2019

PURPOSE:

The purpose of the WRHD Home Improvement Loan Program Policy is to serve as a guide for the WRHD in determining eligibility of applicants, standards for services, and conditions of loan agreements. Through this Policy, homebuyers and homeowners have the opportunity to improve their homes or have services performed to their homes. This Policy is meant to provide consistent, equitable, and uniform treatment to applicants; and to provide a basis for decision making by the WRHD.

I. Eligibility Requirements

A. To be eligible for the Program, a person must meet the following requirements:

1. A Homebuyer under WRHD Management OR a Homeowner.
 - a. Homeowners **MUST** provide proof of homeownership (title, deed, court documents, etc.).
 - b. Homebuyers must be current with all duties under their agreements with the WRHD for at least one (1) year prior to applying.
2. A resident of the Walker River Paiute Reservation.
 - a. Must provide two (2) forms of proof of residency (driver license, utility bill, etc.).
 - b. No loan agreements will be approved for services performed outside the exterior boundaries of the Walker River Paiute Reservation. Services approved must be completed within the Reservation on existing units belonging to eligible applicants.
3. Income Eligible. Must meet minimum Income Requirements - see Section II - Income Requirements.

B. A person is ineligible for the Program if:

1. The person owes delinquent balances on any account associated with the Walker River Paiute Tribe (Water/Sewer, Daycare, etc.).
2. The person owes delinquent balances on any account with the Walker River Housing Department (FEMA, lease payments, rental payments, etc.). If the applicant has entered into a previous agreement with the WRHD for any delinquency, and has made all arranged payments for at least one (1) year prior to applying, the WRHD may consider the applicant to be “current” and eligible to apply for this Program. This provision does not apply to previous Payback Agreements addressed in the following subsection.
3. The person has a previous Payback Agreement. All Payback Agreements must be paid in full before entering into the Home Improvement Loan Program Policy.

II. Income Requirements

An applicant must meet the following income requirements:

- D. Only one (1) Loan Agreement will be allowed per person. An applicant cannot apply for a new Loan Agreement until an existing Loan Agreement is paid-in-full. However, this criterion may be waived by the WRHD if an emergency need arises and the applicant is in good standing with their current Loan Agreement (see Section V.j. addressing allowable emergency costs).

IV. Allowable Costs

- A. Loans may be obtained for an applicant to improve his/her residence.
- B. The total amount of any loan for improvements will be based only on materials needed for the improvements if WRHD employees will perform any required services. If a contractor must be hired to perform any services, then the applicant will need to pay for the contractor's services, which may be funded through the loan at the discretion of the WRHD Executive Director.
- C. The maximum amount allowed for any Loan Agreement is \$6,000.00.

 1. The application will be reviewed by the WRHD Executive Director. Upon approval or disapproval, the applicant will be notified by letter through the U.S. Mail. The WRHD may need to inspect the residence to determine the validity of the application and to understand the costs that will be incurred for the work.
 2. An incomplete application will result in the application being returned through the U.S. Mail to the applicant with a statement on the problems with the application. Incomplete application will be rejected and the date the application was received will not be recognized for priority purposes.
 3. The approval of any application will be contingent upon the WRHD having funds available for the project and having staff available to complete the work.
- B. If an application is approved:
 1. The WRHD will schedule an initial inspection of the residence with the applicant.
 2. The WRHD's Procurement Manager will conduct a cost analysis of the materials needed to complete the project (obtaining quotes, following Walker River Paiute Tribe Procurement and Property Management Policy, etc.).
 3. Applicant must acknowledge that additional material may be needed, which will result in the applicant incurring associated additional costs.
 4. The WRHD shall charge an Administration Fee on the applicant. The amount of the Administration fee will be based on the WRHD's cost analysis, and must be paid-in-full by the applicant (see Section VIII. addressing the Administration Fee).

However cash is prohibited from being mailed and the WRHD will not be responsible for any lost cash or claims that the amounts received were different from the amounts claimed to have been sent. The WRHD encourages that all mailed payments be made in checks or money orders, etc.
 3. Partial Payments will be accepted, however, the acceptance of a partial payment does not waive the right of the WRHD to continue further actions to collect and remedy any breaches of the applicant's agreement, which may include collection of funds through court proceedings, unless an agreement has been reached, accepted, and signed by the applicant and an authorized official of the WRHD. Late fees will be applied if a payment is not paid in full by the 10th day of each month (see below).
 4. If an applicant is an employee of the Walker River Paiute Tribe, the employee may make payments through a payroll deduction. The employee MUST sign a Payroll Deduction form, which must remain in place until the balance is paid-in-full.
